## Principal's Message

This year is our 45<sup>th</sup> annual Frontier Divisional Games. It is with honor and excitement that we host this year's games. I know that you have worked extremely hard over the past few months to win the right to represent your area in these games. I hope that all of you have an enjoyable experience in our community and school. Most of you have traveled many kilometers to be here; if there is anything we can help you with please let us know.

This event is a great opportunity for athletes, coaches and chaperones alike to get reacquainted with old friends and to make new ones. It is an opportunity for all athletes to build character as they win or lose gracefully in their respective sports.

Hosting an event for approximately 350 participants requires commitment from many people. I would like to acknowledge their work and dedication. A special thank you to Josiah Rogge, the event coordinator, for all the planning and hard work for this event.

I would also like to thank the FSD Board of Trustees whose support makes these games for our young athletes possible every year.

I hope you all have a wonderful three days of competition and take away great memories!

On behalf of the staff and students of HBOIERC I welcome you to our school and community.

Mrs. Charlene Throop  
Principal HBOIERC
